

Tecnichal Institute for Agriculture and Environment

"Duca degli Abruzzi"

Elmas

*Founded in 1885 in the heart
of the centre of
Cagliari, capital town of
Sardinia , and being for more
than one century
the reference point of all
studies and interests
concerning agriculture and
environment;*

In 1996 the school moved to the new residence in the middle of a large property surrounded by its own farm.

Located in a new modern building few kilometres from centretown and just five minutes from local international airport Elmas Cagliari.

400 Students
